

How ICU Students find themselves after finishing their first year. ※1

2024

I am participating in discussions or debates during class.

I am giving presentations in class.

I am using ideas or concepts that I learned in other courses to complete assignments.

I am participating in class actively, not passively.

My ability to think critically and analytically improved.

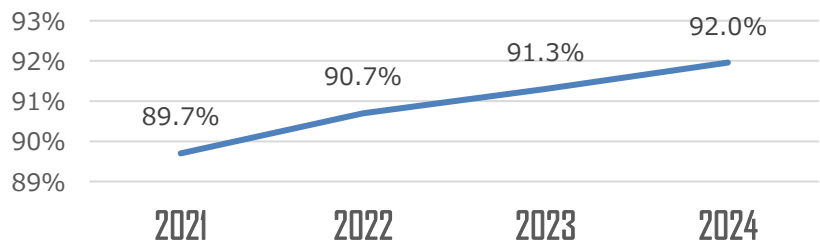

I gained a greater understanding of my sense of ethics and values and developed as a person.

My ability to accept and understand people from different backgrounds improved.

Number of Students Reporting "Improved Clear and Effective Speaking Skills" Has Been Increasing Since 2021

Pick Up

※1 This is based on the result of "ICU First Year Survey" performed in March / July 2024. (Number of responses:485, Response Rate:75.7%)

※2 It shows the percentage of "Yes I have" and "Yes".

※3 It shows the percentage of "Yes I have" and "Yes" answered to the question "I acquired the ability to speak clearly and effectively."
