Introduction to Noguchi Co.'s "Lease & Linen (L&L) System" (Bedding Lease & Linen Supply Service)

Welcome to ICU and ICU dormitory life! We hope you have a great experience while you're here. The student dormitories are equipped with bedding that is leased from Noguchi Company. Noguchi is a nationwide company that provides bedding leasing services to universities, high schools, and government agencies across Japan. The "L&L System" is a yearly bedding rental system, in which sheets are regularly cleaned and exchanged to ensure a comfortable dormitory life for students.

Advantages of the L&L System:

- ◆ Comforter covers, sheets, and pillowcases will be washed and clean replacements will be provided twice a month.
- ◆ Your bedding will be replaced every September, which means your bedding will always be clean and fresh.
