<NOTE>

- Please consult with the dormitory Supervisor and apply for permission at the Housing Office after moving into the dormitory.
- Usage of items that will be permitted will be based upon mutual understanding of those who share the room.
- Anything that can be brought into the dormitory should be kept in your rooms or in the storage room.  
Write your room number and name on any piece of paper and attach it on things to be kept in the storage room.
- Do not leave any personal belongings when you move out.
- For anything not listed in the above chart, please inquire the Housing Office.
